With reference to an enquiry made by this office as to why the ration and clothing allowances recommended for Basamma by the Senior Surgeon were lower than those allowed to the other nurses of the Hospl, the Senior Surgeon stated in his letter No: G 260 of 11.1.12 that higher rates are not necessary as start for native nurses. Perhaps the Senior Surgeon may make the same statement re: pay of the native nurses.

Sir,

In reply to your No.955/Med 80-11-8, dated 29th July .912, I have the honor to report as under:-

1. Nurse Basamma was recommended to be employed in accordance with Colonel J.Smyth's[x] suggestion on Rs.25/- plus 8/- (ration allowance) as a temporary measure to enable me to decide, after receipt of a report from the Medical Officer, Victoria Hospital, in regard to the satisfaction or otherwise rendered by Basamma in the discharge of her duties, as to her employment as a nurse of the Hospital.

2. On receipt of a satisfactory report, I forwarded my letter No.G.499 dated 11/12-6-1912, recommending Basamma's confirmation as a nurse. It is an omission on my part that I did not state in this letter that she should be started as other nurses on Rs.45-5/3-60 per mensem.

3. I now supply this omission and recommend her being confirmed as a nurse on Rs.45-5/3-60 with ration allowance of Rs.10 plus clothing allowance of Rs.2-8-0 per mensem.

4. I would not increase the ration allowance however to Rs.20/- the sum allowed to European Nurses. Rs.10/- per mensem ration allowance over and above the pay should suffice to
